ALC Book Levels and Student Placement Chart

The course consists of Books 1-34 divided into six levels. To decide what materials are appropriate, the proficiency level of the students should be determined. The American Language Course Placement Test (ALCPT) can be used to do this.

| Books | Books Levels | | ALCPT Scores |
|--------------------|---------------------|-----------------------|---------------------|
| Books 1-6 | Level I | Elementary | 0-25 |
| Books 7-12 | Level II | High Elementary | 25-50 |
| Books 13-18 | Level III | Intermediate | 50-60 |
| Books 19-24 | Level IV | High Intermediate | 60-70 |
| Books 25-30 | Level V | Advanced | 70-80 |
| Books 31-34 | Level VI | Advanced Professional | 80-85 |

The American Language Course Placement Test (ALCPT)

- ALCPT accurately places students in the appropriate American Language Course (ALC) book and evaluates student progress at the end of an ALC level.
- It measures English language proficiency through the modalities of listening and reading and is a vital part of any successful American Language Course Program.
