ALC Book Levels and Student Placement Chart

The course consists of Books 1-34 divided into six levels. To decide what materials are appropriate, the proficiency level of the students should be determined. The American Language Course Placement Test (ALCPT) can be used to do this.

Books	Books Levels		ALCPT Scores
Books 1-6	Level I	Elementary	0-25
Books 7-12	Level II	High Elementary	25-50
Books 13-18	Level III	Intermediate	50-60
Books 19-24	Level IV	High Intermediate	60-70
Books 25-30	Level V	Advanced	70-80
Books 31-34	Level VI	Advanced Professional	80-85

The American Language Course Placement Test (ALCPT)

- ALCPT accurately places students in the appropriate American Language Course (ALC) book and evaluates student progress at the end of an ALC level.
- It measures English language proficiency through the modalities of listening and reading and is a vital part of any successful American Language Course Program.
